

FatCat Servers Privacy Policy

At FatCat Servers we are committed to protecting your privacy.

What information do we collect? How do we use it?

- When you order, we need to know your name, e-mail address, delivery address, credit or debit card number and expiry date. This allows us to process and fulfill your orders and to notify you of the status of your order.
- We also ask for your telephone number which enables us to contact you urgently if there is a problem with your order.
- We may also use the information we collect to occasionally notify you about important functionality changes to the Web site, new FatCat Servers services and special offers we think you will find valuable. If you would rather not receive this information, you may opt out by contacting our sales office by telephone or email.

How does FatCat Servers protect customer information?

When you place orders or access your account information, we offer the use of a secure server. The secure server software (SSL) encrypts all information you input BEFORE it is sent to us. Furthermore, we follow strict security procedures in the storage and disclosure of information which you have given us, to prevent unauthorized access. Our security procedures mean that we may occasionally request proof of identity before we are able to disclose sensitive information to you.

What about "cookies"?

Cookies are small pieces of information that are stored by your browser on your computer's hard drive. Our cookies do not contain any personally identifying information, but they do enable you to save your password so you do not have to re-enter it each time you visit our site. Most Web browsers automatically accept cookies, but you can usually change your browser to prevent that. Even without a cookie, you can still use most of the features in our store, including placing items in your Shopping Basket and purchasing them.

Will FatCat Servers disclose the information it collects to outside parties?

We do not sell trade or rent your personal information to others.
